Reach Compliance Statement: ECHA/NR/24/01

REACH COMPLIANCE STATEMENT REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use. The REACH regulations became effective on June 1, 2007.

REACH establishes specific duties and obligations on a business in the European Union (EU) which manufactures or imports a substance or article that includes a "substance of very high concern" (SVHC) in concentrations of more than 0.1% w/w. A substance which is listed on the "Authorisation List" published by the European Chemicals Agency (ECHA) dated ECHA/NR/24/01 cannot be manufactured or imported in the EU after a fixed date unless the ECHA authorizes the use of the substance for a specific use or uses.

Further, the use of substances listed in ECHA/NR/24/01 of the REACH Regulations are banned in all articles or substances produced or imported in the EC except to the extent that the use complies with the specific restrictions contained in ECHA/NR/24/01.

Although not required to directly register any of its products with the ECHA, Sigatek LLC is committed to assisting its customers in their efforts to comply with REACH. To that end Sigatek LLC has reviewed the formulations of ALL products listed on the website.

So, upon review of the formulations of these products and to Sigatek LLC knowledge:

A- Its products do not currently contain substances listed on the Candidate List of Substances of Very High Concern or the Authorisation List dated ECHA/NR/24/01, both as published by the ECHA on its website on the date of this statement, in excess of the applicable legal thresholds.

B- All substances contained in its products are currently in substantial compliance with the current conditions and restrictions of ECHA/NR/24/01 of the REACH regulations.

Sigatek LLC will endeavor to appropriately update or modify this REACH Compliance Statement should any changes occur in the composition of Sigatek LLC products or the REACH regulations, including the addition of any substances to the SVHC ECHA/NR/24/01 Candidate List.

Sigatek REACH declaration is stated on March 1st, 2024
